Ganesh Chaturthi at SWS was a beautiful blend of faith, learning, and festive cheer!
Dressed in vibrant festive attire, our students welcomed an eco-friendly Bappa with Aagman and Sthapana. Teachers shared the significance of Ganesha's features, helping students discover the values beautifully woven into His form.

Teachers also created special Ganesh Chaturthi worksheets and narrated 7 tiny Ganesha stories with big lessons, making the celebration meaningful and engaging.

With aarti, songs, and joyful dances, the celebration came alive with happiness and devotion. The festivities concluded with an eco-friendly immersion, reminding us to celebrate while caring for our planet.

# INTERNATIONAL DOT DAY

Make Your Mark!
Inspired by Peter H. Reynolds' beloved book The Dot, International Dot Day celebrates creativity, courage, and the confidence to begin with a single mark.

Our little artists embraced the spirit of the day by creating vibrant dot artwork using their fingertips and ear buds. Through colours, patterns, and playful exploration, students expressed their unique ideas and discovered that every little dot can become something truly special.
